

29 APRIL 2023

FMR

FIFA Teams

It's always great to see your kid progress through the years. Everyone seems so big this year!!

For the first time, our U12 teams are having an introduction to FIFA Rules. The Tigers and Sharks also enter FIFA rules for the first time, while the other teams got back in the swing of things on the Pitch as well.

U12 Warriors

The U12 Warriors had a cracker of a first game of the season vs GMAS Gladiators! The Gladiators scored a couple of quick goals at the start of the game and it took the Warriors a minute to find their feet and remember what they were here to do, but when they did, they really gave the Gladiators a good match. Declan scored against them before the half time whistle blew.

In the second half we came out firing and didn't let the Gladiators get through our back line much and the Warriors were all hungry for a goal. Angus scored us one more in the second half.

Although we didn't come away with the win, the Warriors were all pretty happy with how they played and it is a sign of an exciting season ahead!!

Player of the day went to Anouk who we welcomed back to our team after a season away, and Flynn whose first game it was with the Warriors.

Both players made their mark on the game today and we are stoked to have them on our team 🏆❤️

U12 Ankle Biters

In their first outing as brand new team for 2023, the Ankle Biters had a good win and all played well together! 6 goals to 1 for their very first game. Great start to the season for them.

U13 Sharks

FMR Sharks vs MUSC Thunder

An impressive start to the season for the U/13 Sharks. After an early goal, the sharks were able to consistently convert on their goal scoring opportunities. They won their very first FIFA match decisively - 13 goals to 1.

The MacKillop team struck back with a goal towards the end of the first half, a beautiful long kick finding the corner pocket. Despite their efforts, and a very determined MacKillop goal keeper, the Sharks continued to produce some magnificent shooting, all which seemed to find the back of the net!

Goal scorers included: Felix Gibbs, who scored a whopping 5 goals, Kai Hillier 3 goals, Zane Mccalmont 3 goals, Charlie Crimble-Hall 1 goal and Ziggy Denham 1 goal.

The player of the match went to Charlie Crimble-Hall who showed leadership, and took on a new defensive roll, even scoring from this defensive position. Thanks to our sponsors Milk Shack.

Special mention and welcome to all our new additions to the team, who all played fantastically. Well done all Sharks, what great start to the season.

U13 Tigers

Margaret River played exceptionally well in the first half, scoring a goal thanks to Luca Tunnell and keeping the scores locked at 1 a piece going into the half.

Second half started well with Alex Ralston scoring a goal to put the Tigers ahead. Wanderers quickly answered though with the scores then locked again at 2 all.

Both teams had their chances, however, the Wanderers went on to score 2 more goals before the end of the second half.

Final score Tigers 2, Wanderers 4.

POD went to Jahli Clark with thanks to Sponsors Burger Baby.

U14 Glory

Kicking off their 2023 campaign, Glory took on the Dunsborough Jets at their home ground. The Jets came out on the offensive, applying pressure early and sending the Glory defence scrambling.

Glory retaliated with forays into the opposition half. Dunsborough weren't to be denied, scoring twice before Glory's attack found the back of the net.

The second half saw more of the same, with some great tackling and determination shown. Though not the end result Glory was after, it was good to blow the cobwebs away. Plenty of positives to take forward into the coming weeks of the competition.

Players of the day - Alex for his continuous impressive raids up front, and Sasha for her work rate chasing down Dunsborough's nippy forwards. Many thanks to Candy Cow for their sponsorship.

U14 Wyverns

The first game of the season started well for Wyverns, taking on MUSC Saints at home, with Stirling scoring in the opening minutes. After a season playing defence, it's good to see him up front kicking goals again!

The Wyverns didn't show any signs of rustiness. A header from a throw in by Henry, and a nice pass to William gave us a second chance, but a spill stopped us from scoring. Alex made a pass up the field to Stirling who shot, but the keeper saved. A bounce back from the save led to a goal by William.

It was great to see our new team members Poom and Ethan doing so well. They fit seamlessly in the team and the controlled passing and strong calling from the whole team was brilliant. We had a few more attempts at goal which were thwarted by their goalie.

In the second half Saints scored putting them on the board. More Wyverns attempts at goal were stopped by their goalie. The forwards and defenders were working hard on both sides. A beautiful play up the field saw Charlie pass to Oliver L, who passed to Poom, who passed to Ethan who scored. More chances on both sides were stopped, leaving us with a win at the final whistle.

We have two Players of the Day. Poom in his first game with the team, was constantly in right position. Lots of nice passing and moving ball to other players. Did exactly what we asked of him.

Oliver M held position and attacked ball well. Called for the ball and if he missed the ball, tracked back to make up for it. Made himself available and was fearless!

Thank you to our sponsors Kingston Bakery and Milk Shack for the vouchers.

U15 Marroners

An amazing effort by the Marroners who succumbed to the BCFC Spicy Chickens in a nail biting 4-3 finish.

Special mention to Two Cracks Coffee and Squid Lips, who supported our game this week and treated our players of the day, Lucas Lawrey and Archer Wallace-Cook, to their delicious goodness.

Thank you to first time coach Kris who is excited to work with this amazing group of teens this year.

What a cracking first game of the season. Keep it up team!
